# Biology Department  
## Anticipated Course Rotation

**Fall 2009**  
1400—Introduction to Life Sciences  
(nonmajors)  
1402—General Biology II  
1421—Human Anatomy & Physiology I  
(nonmajors)  
2400—Invertebrate Zoology  
2492—Organ Physiology  
3441—Ecology  
3442—Marine Biology  
3462—Genetics

**Spring 2010**  
1400—Introduction to Life Sciences  
(nonmajors)  
1401—General Biology I  
1410—Environmental Science (nonmajors)  
1422—Human Anatomy & Physiology II  
(nonmajors)  
2422—Comparative Anatomy  
3441—Ecology  
3443—Aquatic Biology  
4481—Research and Writing  
5493—Pharmacology  
3400—Human Heredity (nonmajors)

**Fall 2010**  
1400—Introduction to Life Sciences  
(nonmajors)  
1402—General Biology II  
1421—Human Anatomy & Physiology I  
(nonmajors)  
2422—Comparative Anatomy  
3441—Ecology  
3462—Genetics  
3463—Biology of Reproduction  
3481—Microbiology

**Spring 2011**  
1400—Introduction to Life Sciences  
(nonmajors)  
1401—General Biology I  
1410—Environmental Science (nonmajors)  
1422—Human Anatomy & Physiology II  
(nonmajors)  
2492—Organ Physiology  
3413—Vascular Plants  
3465—Evolution  
4423—Microscopic Anatomy  
4421—Developmental Biology

2492—Organ Physiology  
3413—Vascular Plants  
3465—Evolution  
4423—Microscopic Anatomy  
4421—Developmental Biology

**Trimester I each year**  
1400—Introduction to Life Sciences  
(nonmajors)  
*or*  
2390—Intro to Evolution (nonmajors)

**Trimester III each year**  
1400—Introduction to Life Sciences  
(nonmajors)  
*or*
