### STEPS FOR APPLYING FOR FINANCIAL AID

**STEP ONE:**
Apply for a PIN number at [www.pin.ed.gov](http://www.pin.ed.gov)
- Continuing students will use the same PIN number as last year and will not need to re-apply for a PIN. If you forgot your PIN number, you can request a duplicate PIN number at [www.pin.ed.gov](http://www.pin.ed.gov)

**STEP TWO:**
- Most students will also need their parents 2012 tax return to complete the FAFSA
- Be sure to list OLLU’s school code 003598 on the FAFSA so we may access your information

The Financial Aid Office will send important information to your OLLU email. Please check your email regularly.

**STEP THREE:**
Financial Aid will mail you documents to complete your student file approximately two weeks after we have received your completed FAFSA from the U.S. Department of Education.
- Complete and submit all requested documents to the Financial Aid Office. These requested forms can be found at [www.ollusa.edu/FinancialAidForms](http://www.ollusa.edu/FinancialAidForms)

**STEP FOUR:**
Once your file is complete you will receive an award notification. Please review your award notice and if you have any questions, please contact the Financial Aid Office.

If you choose to accept your Federal Direct Loan award, you will need to complete the following steps:

- **First-Time Borrowers** - Complete Direct Loan Entrance Counseling and complete an Electronic Master Promissory Note (eMPN) at [https://studentloans.gov/myDirectLoan/index.action](https://studentloans.gov/myDirectLoan/index.action)
- **Returning Student Borrowers** - All returning students who received direct loans in the pervious academic year will not need to complete a new Master Promissory Note or loan counseling.

Note: If you choose not to accept your student loan award, please notify our office via email, mail or in person.

### DEADLINES AND TIMELINES

### GENERAL RULES AND REGULATIONS

- Federal aid is awarded based on the information you provide on your Free Application for Federal Student Aid (FAFSA) and the resulting expected family contribution number (EFC).
- Summer 2014 aid is additional aid. If you do not exhaust all of the aid for which you are eligible during the 2013-2014 academic year, you may be eligible for summer aid.
- Cost of Attendance Budget (COA) is the maximum amount of aid you may receive for an academic period.
- According to federal requirements, regardless of what other departments on campus may indicate, financial aid defines enrollment status as:

  - **UNDERGRADUATE**
    - Less than half time — 5 or less credit hours attempted
    - Half time — 6 to 8 credit hours attempted
    - ¾ time — 9 to 11 credit hours attempted
    - Full time — 12 or more credit hours attempted
  - **GRADUATE**
    - Half time — 3 credit hours attempted
    - Full time — 6 or more credit hours attempted

- All financial aid recipients should contact the Financial Aid Office before dropping any class. Dropping a class may result in cancellation of grants, scholarships or loans, and you will be responsible to pay these funds back to the program.
**STUDENT LOANS**

- **First-Time Borrowers** must complete an Electronic Master Promissory Note (eMPN) at [https://studentloans.gov/myDirectLoan/index.action](https://studentloans.gov/myDirectLoan/index.action) and must also complete loan entrance counseling before their loan proceeds can be disbursed. Please go to [https://studentloans.gov/myDirectLoan/index.action](https://studentloans.gov/myDirectLoan/index.action) and sign in with your FAFSA PIN.

- All students, regardless of income, may be eligible for a Federal Direct Loan. You will first be considered for a subsidized Federal Direct Loan, which means the government pays the interest on the loan while you attend school. If you are not eligible for a subsidized loan, you will be awarded an unsubsidized Federal Direct Loan, which means you pay the interest on the loan while you are in school. You can pay interest monthly or quarterly, or you can opt to have your interest capitalized and added to the loan principal.

- To be eligible for Federal Direct, Federal PLUS and Perkins Loans, you must be enrolled at least half time per semester. In the event that you drop below half time per semester, you will become ineligible for any of these federal loan programs.

- To maintain eligibility for your loan(s), you must maintain satisfactory academic progress as outlined in this data form.

- All **First-Time Borrowers** must complete loan counseling before their loan proceeds can be disbursed. If you are a **First-Time Borrower**, please complete Direct Loan Entrance Counseling by going to [https://studentloans.gov/myDirectLoan/index.action](https://studentloans.gov/myDirectLoan/index.action) and click on “Entrance and Exit Counseling.”

- All students applying for a Federal Direct Loan and parents applying for a Federal PLUS Loan, must be U.S. citizens or eligible non-citizens.

- Some federal loans are subject to disbursement fees. All fees are deducted proportionately from loan proceeds before the money is disbursed.

- If you want to apply for a Federal Direct Loan, please indicate “yes” on the attached Financial Aid Data Form.

All returning students who received direct loans in the previous academic year will not need to complete a new Master Promissory Note or Entrance Counseling.

**LOAN AMOUNTS:**

The amount of loan dollars you can receive depends upon your dependency status as determined by the FAFSA, and whether you are an undergraduate or a graduate student. Please refer to this chart for the maximum yearly loan amount that you may borrow:

**UNDERGRADUATE STUDENTS**

- **Dependent Freshman** $5,500 ($3,500 subsidized + $2,000 unsubsidized)
- **Dependent Sophomore** $6,500 ($4,500 subsidized + $2,000 unsubsidized)
- **Dependent Junior/Senior** $7,500 ($5,500 subsidized + $2,000 unsubsidized)
- **Independent Freshman** $9,500 ($3,500 subsidized + $6,000 unsubsidized)
- **Independent Sophomore** $10,500 ($4,500 subsidized + $6,000 unsubsidized)
- **Independent Junior/Senior** $12,500 ($5,500 subsidized + $7,000 unsubsidized)

**GRADUATE STUDENTS**

- Graduate or Professional $20,500 unsubsidized Direct Loan

- The maximum total Direct loan amount a dependent undergraduate student can borrow to complete an undergraduate degree program is $31,000. The maximum total Direct loan amount an independent undergraduate student can borrow to complete an undergraduate degree program is $57,500.

- The maximum total unsubsidized Direct loan amount a graduate student can borrow to complete a graduate degree program is $138,500.

- Effective July 1, 2012 per federal regulation, Public Law 112-74: Direct Subsidized Loans are not eligible for an interest subsidy during the six-month grace period. Effective for loans disbursed July 1, 2012 to June 30, 2014.

**SATISFACTORY ACADEMIC PROGRESS**

- To remain eligible for all Title IV financial aid programs, you must maintain satisfactory academic progress. Satisfactory academic progress for undergraduate students is defined as passing 75 percent of your attempted credit hours per semester or session, and achieving a minimum cumulative grade point average of at least 2.0 during any semester, session or academic year. A graduate or professional student must also complete 75 percent of their attempted classes as well as maintain a cumulative grade point average of at least 3.0 during any semester, session or academic year. If the above requirements are met, you may continue to receive Title IV financial aid, as long as you are eligible, until you graduate or until you have attempted 150 percent of the credit hours required to obtain your degree of choice.

- If you do not meet all of the requirements of the satisfactory academic progress policy, you will be placed on financial aid suspension. You may appeal your financial aid suspension if there are legitimate circumstances that caused you to fail to meet academic progress standards. An appeal form can be obtained from the Financial Aid Office or through the financial aid web site, www.ollusa.edu/FinancialAidForms.

- Effective Fall 2012 there are new federal regulations regarding the following: remedial coursework, repeat coursework and updates to standards of satisfactory academic progress. Please review full details at www.ollusa.edu/FinancialAidForms.

**RETURN OF TITLE IV FUNDS POLICY**

- If you withdraw or otherwise terminate your enrollment during the first 60 percent of the semester or session, and you receive financial assistance from Title IV programs (TEACH, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Direct Loan and Federal PLUS Loan), your aid will be reduced in direct proportion to the length of time you were enrolled. The percentage of time during the period that you remained enrolled is the percentage of disbursable aid for the semester/session that you have earned. The percentage of the period that you remained enrolled is calculated by dividing the number of days you attended by the number of days in the semester/session. Only calendar days are used. Breaks of at least five concurrent days are excluded from the calculation.

- Title IV program reimbursement monies will be withheld from any institutional refunds (tuition, room, board, fees, etc.) due to you. If these monies are not sufficient to cover the reimbursement required, you will be billed for the remaining amount. Failure to comply with this federal Return of Title IV Funds Policy will make you ineligible to participate in any Title IV aid program from any post-secondary institution until you become compliant with the Return of Title IV Funds Policy.

- The federal government has established the following priority for the distribution of unearned aid: Unsubsidized Direct Loan, Subsidized Direct Loan, Federal Perkins Loan, PLUS Loan, Federal Pell Grant, TEACH and Federal Supplemental Educational Opportunity Grant.

- **Unofficial Withdrawal/No Passing Grades** - Federal regulations require that any student who fails to earn a passing grade in at least one course in the semester shall be considered as having unofficially withdrawn.

At the end of each semester, OLLU is required to review academic transcripts. Students who have received all Fs or No Credit grades, will have their financial aid recalculated and will see their aid reduced or canceled to comply with federal requirements.
PELL GRANT RECIPIENTS
Public Law 112-74, signed into law on December 23, 2011, reduces the maximum period for which a student may receive Pell Grants to 12 full-time semesters. This includes all semesters that Pell funds were received at other institutions.

TUITION EQUALIZATION GRANT (TEG)
If you are an undergraduate you must complete at least 12 credit hours during each of the fall and spring semesters to maintain TEG eligibility. If you are a graduate student you must complete 9 credit hours during each of the fall and spring semesters to maintain TEG eligibility. You must also maintain, each semester:
• a cumulative 2.5 grade point average for undergraduate and a cumulative 3.0 grade point average for graduate to maintain eligibility for this grant. Failure to meet these requirements will result in forfeiture of your grant. If you lose this grant, you may regain eligibility by either earning up to 24 credit hours for an undergraduate student and 18 credit hours for a graduate student in the summer term at OLLU or increasing your cumulative grade point average to be equal or greater than a 2.5 for undergraduate or 3.0 for graduate.

If you officially withdraw from all classes, you will have to return grant proceeds according to the University’s refund policy.

VERIFICATION OF HIGH SCHOOL COMPLETION STATUS
Effective July 2012 Budget Control Act of 2011 Public Law 112-74: All undergraduate students must submit a final high school official transcript that shows the date the high school diploma was awarded.

UNDERSTANDING THE VERIFICATION PROCESS

What is Verification?
Verification is a process by which the Financial Aid Office is required to verify the data that was submitted on a FAFSA application. Students selected must submit documentation to validate the information used to file the FAFSA. Any discrepancies found during the Verification Process will be adjusted on the FAFSA to correspond with documentation. If you are selected for verification, you cannot receive any federal or state aid until verification is completed.

How will I be notified if my FAFSA record has been selected for verification?
You will receive an email from the Department of Education that you have been selected for the verification process and you will be directed to contact the financial aid office at your school. You will also receive an official request for verification documents from the Financial Aid Office at OLLU.

How are FAFSA records chosen for verification?
A FAFSA record is selected for verification for one of two reasons:
• random selection by the Department of Education
• institution finds conflicting information

What documentation will be required in the verification process?
Students may be asked to submit one or all of the following documents based on their individual verification tracking group:
• 2013-2014 Independent Verification Worksheet
• 2013-2014 Dependent Verification Worksheet
• Copy of student (and spouses if married and filed separately) 2012 IRS Tax Return Transcript
• Copy of Parent(s) 2012 IRS Tax Return Transcript (submit both returns if married and filed separately)
• Statement of Education Purpose & Certification of Identity

Will these be the only documents required for verification?
Additional documents may be required depending on individual circumstances; those may include documentation regarding: receipt of food stamps, child support paid, selective service confirmation, amended tax return, W-2, etc.

How do I obtain an IRS Tax Transcript for 2012?
You can order an IRS tax transcript online at www.irs.gov – click on “order a Return or Account Transcript” or by calling 1-800-908-9946.

What if I am a non-filer?
If you or your parents are non-filers, you will need to submit an IRS Form 1722-Verification of Non-filing. This is an official IRS letter confirming that a taxpayer did not file taxes for a particular tax year. IRS Form 1722 can be requested by completing IRS Form 4506-T, checking the box marked “Verification of Non-filing,” and mailing it to the IRS, or by calling the IRS at 1-800-908-9946. You will also need to submit 2012 W2's for each employer, if applicable.

Is there a deadline for submitting and completing Verification?
There is no specific “deadline” for submitting the Verification documents; however, Verification will need to be completed before a student is awarded.

What if I have questions about this process?
Contact the Financial Aid office via E-mail at finaid@ollusa.edu or by phone at 210-434-6711, ext 2299.
