Preface

Our Lady of the Lake University’s (OLLU) annual Fact Book provides both current and historical information about the institution, its students, faculty and staff. Much of the information presented here shows longitudinal trends. The data conforms to generally accepted definitions. We hope that you will find this factbook useful.

Topics include:

• Mission and Vision
• General Information
• Admissions
• Enrollment
• Retention and Graduation
• Faculty and Staff
• Tuition and Fees

The Office of Institutional Research and Effectiveness will continue to refine this document each year and welcome your comments and suggestions for improvement.
