Our Lady of the Lake University

Chi Alpha Epsilon

Founded at West Chester University of Pennsylvania, Chi Alpha Epsilon was organized in 1989, in an effort to respond to an increased need to acknowledge the continuing successes of underrepresented students. Chi Alpha Epsilon participants share similar experiences and serve as significant models for others. The Greek letter honor society was proposed by Dr. Elbert Saddler, a university psychologist and counseling coordinator for the ACT 101 Program, Dr. Saddler identified eligible students and alumni to form the nucleus who are now the Founding members of XAE.

The National Association for Developmental Education (NADE) has officially endorsed Chi Alpha Epsilon as an honor society for underrepresented students.

PURPOSE

Chi Alpha Epsilon was formed to recognize the academic achievements of students admitted to colleges and universities who participate in a variety of support services. The purpose is to promote continued high academic standards, to foster increased communication among its members, and to honor academic excellence achieved by those students. The involvement of eligible alumni enables networking for members. Programs sponsored by the society encourage other students toward this accomplishment.

Epsilon Theta Chapter

Who Qualifies?

OLLU students who:

- utilized Peer Advisors at the Lake (PALs)
- are in Project Student Excellence (PSE)
- are Ronald E. McNair Scholars
