
Our Lady of the Lake University – One Year Later

An update on OLLU's progress since the May 6 fire that devastated Main Building

- Enrollment rose *one percent* in the fall and *three percent* in the spring. This marked the first increase since 2002.
- Current total enrollment is 2,467 students.
- Enrollment breakdown: 1,477 undergraduates, 990 graduate students. Campuses are located in San Antonio, Houston, Rio Grande Valley and online.
- In the two weeks after the fire, the OLLU Office of Admissions received 138 applications, a record for that time of year.
- Donations increased 84 percent from the previous year.
- There has been a 24 percent increase in donors.
- The rebuilding campaign has raised \$2.4 million through corporations, foundations, alumni and individuals.
- Two of OLLU's leading corporate citizens – Valero and AT&T – have stepped forward to publicly announce that they believe in OLLU's vision and direction by providing the University with \$1 million.
- The gift from the Valero Energy Foundation – the charitable arm of Valero Energy Corporation – will go toward the rebuilding fund.
- The AT&T Foundation – the philanthropic arm of AT&T – will announce on May 6, 2009, a grant that will support the university's higher education initiatives.
- Plans will be unveiled on May 6, 2009, for Main Building by Kell-Muñoz Architects and Bartlett Cocke General Contractors, including how they are preserving Main's historic significance while creating a contemporary learning environment.
- Main will become the front porch of the University.
- Completion of Main is scheduled for fall 2010.
