OUR LADY OF THE LAKE UNIVERSITY // SAN ANTONIO, TEXAS

Big opportunities. Personal attention.

Here, you'll join a community built on social justice and breaking barriers. From your first semester, OLLU gives you the platform to find your path, do meaningful work and use your voice for what matters.

Located just minutes from downtown San Antonio, OLLU combines the energy of a major city with the close-knit community of a campus that truly feels like home.

“Coming from a small high school, I was already used to a close-knit learning environment where teachers knew me personally and were always available to help. I wanted to continue that experience in college, and OLLU's smaller class sizes made it feel like the perfect fit.”

"I chose OLLU to be known, challenged, and supported. Balancing athletics and academics built my work ethic; the community here launched my career. Personalized mentorship from my professors and coaches gave me a clear vision for my future — and today, as an Admissions Counselor, I get to help incoming students start their own. OLLU gave me the foundation to turn my passion into a meaningful career."
