OLLU Phase II reopening delayed until July 7

In response to alerts about increased COVID-19 cases issued by city and county officials in Bexar, Cameron and Harris counties, OLLU is delaying the start of Phase II of the reopening process on all campuses.

Phase II, which was set to begin June 30, is now delayed to July 7. Employees who were expected to return to campus during Phase II are no longer expected to do so until further notice or unless otherwise noted by their supervisor. Further delays to Phase II will depend on guidance from city and county officials in areas where OLLU has campuses. An update will be provided by July 2.

OLLU will remain in Phase I in which employees are working on campus on a voluntary basis. Temperature check station and screening remain in effect as before. Supervisors will contact employees if any schedule changes are required. In addition, employees who wish to visit campus on an as-needed basis can continue to do so by seeking supervisor approval and emailing police@ollusa.edu by noon on the day before the intended visit.

Face covering and social distancing requirements

All employees, visitors and students coming to OLLU campuses will maintain social distancing and wear a face covering over their nose and mouth when in a public place including classrooms, communal spaces, hallways and restrooms.

Face coverings do not need to be worn in the following circumstances:

- When in an office if the employee is isolated
- When exercising outside or engaging in physical activity outside
- While driving alone or with passengers who are part of the same household as the driver
- When doing so poses a greater mental or physical health, safety or security risk
- While pumping gas or operating outdoor equipment

- While in a building or activity that requires security surveillance or screening, for example, banks
- When consuming food or drink
- When in one's assigned residence hall room or assigned residence hall restroom

These guidelines follow recommendations provided by the City of San Antonio. Employees may wear their own face masks or those provided by OLLU.
