Field Experience and Clinical Teaching Requirements

Field Experience:

In accordance with the State Board of Education the Educator Certification the (TEACH) Program at OLLU offers a wide variety of ongoing and relevant of field-based experiences for our students (Rule §228.35). Students will complete at least 30 clock hours of observation/field experience prior to student teaching. Pre-service teachers will have the opportunity to observe instruction by content certified teachers. In addition, candidates, under supervision, will be actively engaged in instructional activities in authentic school settings in a public school accredited by the TEA for an additional 15 clock hours. Pre-service teacher candidate will work with actual students in classrooms/instructional settings and they will critically reflect on their observation experiences. (§228.35e1AB) Students will be required to keep a log of their field experience hours and activities and engage in thoughtful written reflection about what they have observed.

Clinical Teaching:

The purpose of the clinical teaching experience is to support the transition from college student to becoming a professional educator. As they experience the day-to-day routine of the classroom teacher, the clinical teacher will gain a better understanding of the inter-relationships and dynamics of classrooms and schools. This course provides for the opportunity for the clinical teacher to benefit from the professional guidance of an experienced teacher and group of colleagues. Through this, the clinical teacher will gain confidence in assuming their role of the teacher and grow professionally. Clinical teaching must take place in the field and grade level for which a candidate is seeking certification and will include a full range of experiences including the start of the school year (defined as the first 15 instructional days of school)

Clinical Teaching is the culminating experience of the OLLU teacher preparation program. Clinical Teachers will be placed with an experienced certified cooperating teacher. Clinical teachers must complete 14 weeks and no less than 70 full days; full-time (100% of the school day) supervised clinical teaching in their certification area. During Clinical Teaching students demonstrate their ability to effectively plan and teach developmentally appropriate lessons, implement effective classroom management strategies, and apply of a variety of evaluation

methods and assessments to their instruction. Clinical teachers will be assessed on these important elements of teaching and their professional dispositions through observations completed by their university supervisor(s) and cooperating teachers.

Clinical Teaching Eligibility:

To be eligible to begin clinical teaching, candidates must complete certain specified courses and meet the following criteria:

- Completion of all coursework other than clinical teaching; registering for more than 9 semester hours during your clinical teaching requires permission from the Director of Field Experience.
- Must be in "good standing" in the Education Department, e.g., 2.75 GPA.

Clinical teaching (6 semester hours) is taken on a Pass/Fail basis. Due to the importance of the clinical teaching experience, students are expected to complete the entire clinical teaching experience

Background Check Requirements:

In accordance with Texas Education Code §22.0835, each school district will complete a criminal background check on all candidates placed in their classrooms prior to participation in any field-based coursework including student/clinical teaching and practicums. School districts usually request a social security number and/or a driver's license number for all candidates in order to process background checks according to their procedures. Students are responsible for submitting all of the required background check information in the right format at the right time to the Director of Field Experience. School districts may deny placements to students with a criminal background. Please reference the Criminal Background Check/Criminal History Policy Form

Maintaining Academic Requirements and Professional Behaviors

This policy was developed as a support to Education candidate development as a professional. Therefore, any behaviors that are contrary to those described in the PPRA will be addressed immediately and a support plan will be developed.

1. Faculty will call a meeting with the candidate; the faculty member will complete the PPRA form and identify the behavior or academic area that needs addressing by the student. The purpose of this meeting is for the student and faculty member to explore ways in which the student can better meet the expectations for professional behaviors or academic requirements in the classroom and to develop a support plan. Both the student and professor will sign the completed PPRA form; a copy will be provided the student and the second copy will be maintained in the student's departmental file.
2. If a second infraction occurs, the same procedure described above will be employed. In addition, the department chair will participate in the meeting and

explain the university responsibility as gatekeeper to the profession. As a professional program, the Education Department reserves the right to recommend or deny teacher candidates for certification. If all criteria are not met satisfactorily, teacher candidates may be denied full acceptance into the Teacher Certification Program (TEACH) and/or denied the opportunity to complete clinical teaching.

3. A third infraction may lead to removal from the program. Without unconditional acceptance into TEACH and successful completion of all course work, fieldwork, and clinical teaching or its equivalent, the university does not recommend TEACH candidates for Texas teacher certification. All TEACH candidates referred for review are expected to participate in the process. Refusal to participate will not terminate or invalidate the process.
